CRs Take

A CR Best Buy, this self-priming costs less than the top-rated Behr, and generally matches its performance in most tests, but yields even a smoother surface. Behr claims it doesn't have any VOCs.

About

The Behr Premium Plus Enamel (Home Depot) is part of the Paint test program at Consumer Reports. In our lab tests, Interior paint models like the Premium Plus Enamel (Home Depot) are rated on multiple criteria, such as those listed below.

Hiding: Hiding reflects how well a paint covers dark colors mainly with one-coat.

Staining: Staining shows how well a paint resists tough oil and water based stains.

Gloss change: Gloss change notes the change in appearance when a paint is cleaned aggressively.
