PRODUCT INFORMATION

BEHR® Fast Drying Oil-Based Polyurethane is designed to provide a self-leveling, smooth finish that protects and beautifies interior wood surfaces. This product resists stains and scratches. Available in four sheens: Matte, Satin, Semi-Gloss and Gloss.

RECOMMENDED USES:

Ideal for properly prepared interior bare or stained surfaces such as furniture, moldings, cabinets, trim, wood doors and residential hardwood floors. CAUTION: Topcoated surfaces may be slippery when wet.

APPLICATION:

Mix thoroughly prior to and during use. Do not shake or thin. Using a high quality natural bristle brush, dip approximately an inch into the can, gently tapping it against the inside to remove any excess. Apply a thin, even coat following the direction of the grain, making sure to maintain a wet edge. To minimize the brush marks and bubbles after staining application, tip off the surface by holding the brush at a 45 degree angle and lightly run the bristles over the entire length of the wood.

Floor Application: use a lamb’s wool or synthetic pad applicator or synthetic bristle brush and maintain a wet edge to avoid lap marks. Do not puddle, over-brush or overlap finishes. Sand lightly between coats with fine sandpaper. Remove all dust marks. Do not puddle, over-brush or overlap finishes. Sand or synthetic bristle brush and maintain a wet edge to avoid lap marks. Do not brush or strip the finish prior to sanding. Sand all surfaces in the direction of the wood grain to desired smoothness. DO NOT USE steel wool.

SURFACE PREPARATION:

All surfaces must be clean, free of dust, oil, grease, wax, polish, glue and all other foreign substances.

Dry Time: @ 77°F & 50% RH
Longer dry time may be required in cooler temperatures and higher humidity.

- Touch: 2 hrs
- Sand or Recoat: 2–4 hrs
- Light Use: 12–24 hrs
- Full Cure: 3–4 days

CLEAN-UP/DISPOSAL:

Clean all tools and equipment with mineral spirits or paint thinner, where allowed. Otherwise, use acetone.

DANGER! Rags, steel wool and waste soaked with BEHR FAST DRYING OIL-BASED POLYURETHANE may spontaneously catch fire if improperly discarded or stored. To avoid a spontaneous combustion fire, immediately after use, place rags, steel wool or waste in a sealed water-filled, metal container. Do not store unused product inside the home. For disposal guidance, contact your household refuse collection service, fire department, county or state government control agency.

GENERAL INFORMATION:

DANGER HARMFUL OR FATAL IF SWALLOWED. COMBUSTIBLE LIQUID AND VAPOR. CONTAINS: PETROLEUM DISTILLATES, NAPHTHA, XYLENE AND 2-BUTANONE OXIME. CAUSES DAMAGE TO ORGANS (CENTRAL NERVOUS SYSTEM) THROUGH PROLONGED OR REPEATED EXPOSURE. CAUSES SERIOUS EYE IRRITATION AND IRRITATES SKIN, NOSE, AND THROAT. MAY CAUSE AN ALLERGIC SKIN REACTION. NOTICE: Reports have associated repeated prolonged occupational exposure to solvents with permanent brain damage. Intentional misuse by deliberately concentrating and inhaling contents may be harmful or fatal. Keep away from heat and flame. Do not smoke. Prevent build-up by opening all windows and doors to achieve cross-ventilation. USE ONLY WITH ADEQUATE VENTILATION. To avoid breathing vapors and spray mist, open windows and doors or use other means to ensure fresh air entry during application and drying. If you experience eye watering, headaches or dizziness, increase fresh air. If properly used, a respirator (NIOSH-approved for organic vapor with P series particulate pre-filter) may offer additional protection; obtain professional advice before using. A dust mask does not provide protection against vapors. Avoid contact with eyes and skin. Wash thoroughly after handling. Close container after each use. FIRST AID: If you experience difficulty in breathing, leave the area to obtain fresh air. If continued difficulty is experienced, get medical assistance immediately. In case of eye contact, flush immediately with plenty of water for at least 20 minutes and get medical attention; for skin, wash thoroughly with soap and water. If swallowed, do not induce vomiting. Call physician immediately. CAUTION: KEEP OUT OF REACH OF CHILDREN—DO NOT TAKE INTERNALLY.
