BEHR® Chalk Decorative Paint

WHERE TO USE
BEHR Chalk Decorative Paint can be applied over most existing finishes with little surface preparation. Apply to old or new wood, cast stone, concrete, or even metal surfaces.

PREPARATION
All surfaces must be clean, free of dust, chalk, oil, grease, wax, polish, mold and mildew stains, loose and peeling paint, rust and all other foreign substances. For maximum adhesion, scuff sand glossy surfaces thoroughly before coating. Remove all dust with a damp cloth and allow to dry.

PRIME
Use BEHR Chalk Decorative Paint on properly prepared uncoated or painted interior surfaces. For wood that contains tannins, such as Redwood and Cedar, a coat of primer such as BEHR PREMIUM PLUS® Multi-Surface Primer & Sealer No. 436 is recommended.

APPLICATION
Shake the container thoroughly before opening for application. Apply when air and surface temperatures are between 50-90°F (10-32°C). Stir paint occasionally. Intermix containers of same product to ensure color and sheen uniformity. Use a high quality foam or 3/8-1/2" nap roller cover or nylon/polyester brush.

This product is formulated to be rich and concentrated to provide excellent hide and coverage. If you find this product to be too thick, add up to 2 oz. of water per quart to thin it to the desired thickness for smooth and easy application. Certain colors may require more than one coat for complete hide. Darker colors may require additional dry time between coats. Cooler temperatures or higher humidity may prolong drying time.

DISPOSAL
For disposal of empty containers, unused paint and soiled rags, contact your household refuse collection service.

Visit behr.com for painting tips, project advice and color coordination with the ColorSmart by BEHR® Tool, or download the ColorSmart by BEHR App on your mobile device.

WARNING! If you scrape, sand or remove old paint, you may release lead dust. LEAD IS TOXIC. Contact the National Lead Information Center at 1-800-424-LEAD or log on to www.epa.gov/lead.

OTHER INFORMATION

- Smooth Matte Finish
- Great Hide
- Easy to Apply
- Available in over 1,000 colors
