BEHR ULTRA™ EXTERIOR FLAT

- Stain-Blocking Paint & Primer in One
- Excellent Durability & Hide in Fewer Coats
- Extra-Protective Shell Guards Against Damage from Sunlight & Moisture
- Stain & Dirt Resistant

Low Temperature Application
Enhanced Mildew Resistant Finish
Lifetime Warranty*
Low VOC, 100% Acrylic

*No. 4850 Ultra Pure White®
No. 4853 Deep Base
*No. 4854 Medium Base

WHERE TO USE

Properly prepared and cleaned coated or uncoated exterior surfaces. Ideal for Wood, Vinyl, Aluminum, Fiber Cement Siding, Metals, Brick, Masonry, Stucco, Steel and Fences.

PREPARATION & PRIME

Use on properly prepared and cleaned coated and uncoated exterior surfaces. Countersink nailheads, fill and sand smooth. Remove rust, loose or peeling paint. Repair imperfections and sand smooth. Wash off dirt, grease and chalk with detergent and/or powerwash. Remove mildew stains with a mildew stain removing product. Clean and sand new or weathered wood. Scuff sand or degloss smooth or glossy surfaces. Scuff sand or etch metals. Rinse and allow to dry. Caulk windows, doors and other openings. Allow new stucco, plaster and masonry to cure for 30 days before painting. Use BEHR ULTRA™ Paint as a primer for repaired or uncoated surfaces, including woods that contain tannins (two primer coats required for redwood and cedar) and heavily stained areas. Lock in colors coordination with the ColorSmart by BEHR® Tool.

APPLICATION

Apply product on dry substrates when air and surface temperatures are between 35°-90°F (2°-32°C) and will remain between 35°-90°F (2°-32°C) for at least 4 hours after applying. Do not paint when rain or heavy condensation is expected. Stir paint occasionally. Intermix containers of same product to ensure color and sheen uniformity. On semi-smooth surfaces, use a high quality 3/8-1/2” nap roller cover, nylon/polyester brush or an airless sprayer (.015-.021” spray tip, 60 mesh filter). On rough surfaces, use a high quality 3/4-1” nap roller cover. Do not thin if using a roller or brush; however, if using a sprayer and thinning is required, thin with water at a rate of no more than 1/2 pint per gallon. Certain colors may require additional coats for complete hide. On heavy stains and woods that contain tannins, allow 12-16 hours of dry time between coats. Cooler temperatures or higher humidity may prolong drying time. After 4 weeks, cured paint film may be cleaned with a mild, non-abrasive liquid detergent. Dry paint film is mildew resistant. When applying to vinyl, color choice must be the same color or lighter than the existing color. Do not use on floors.

DISPOSAL

For disposal of empty containers, unused paint and soiled rags, contact your household refuse collection service.

Visit Behr.com for painting tips, expert project advice and the perfect color coordination with the ColorSmart by BEHR® Tool.

WARNING! If you scrape, sand or remove old paint, you may release lead dust. LEAD IS TOXIC. Contact the National Lead Information Center at 1-800-424-LEAD or log on to www.epa.gov/lead.

WARNING! IRRITANT! HARMFUL IF SWALLOWED. MAY CAUSE EYE, NOSE AND THROAT IRRITATION. AVOID CONTACT WITH SKIN AND EYES AND AVOID BREATHING OF VAPORS. CONTACT THE NATIONAL LEAD INFORMATION CENTER AT 1-800-424-LEAD OR LOG ON TO WWW.EPA.GOV/LEAD.

WARNING: IRRITANT! HARMFUL IF SWALLOWED. MAY CAUSE EYE, NOSE AND THROAT IRRITATION. AVOID CONTACT WITH SKIN AND EYES AND AVOID BREATHING OF VAPORS AND SPRAY MIST. WEAR EYE PROTECTION AND PROTECTIVE CLOTHING. USE ONLY WITH ADEQUATE VENTILATION. To avoid breathing vapors and spray mist, open windows and doors or use other means to ensure fresh air entry during application and drying. If you experience eye watering, headaches or dizziness, increase fresh air. If properly used, a respirator (NIOSH approved for organic vapor with P series particulate pre-filter) may offer additional protection; obtain professional advice before using. A dust mask does not provide protection against vapors. Avoid contact with eyes and skin. Wash thoroughly after handling.

To consult with a Behr Certified Coatings Professional, call 1-800-854-0133 Ext. 2 (U.S.A. only).

CAUTION: KEEP OUT OF REACH OF CHILDREN - DO NOT TAKE INTERNALLY.
