WHERE TO USE

PREPARATION

WHERE TO USE

Preparation gives you specific legal rights, and you may also have other rights, which vary from state to state.

WHERE TO USE

Preparation gives you specific legal rights, and you may also have other rights, which vary from state to state.

Do not use if rain or heavy dew is expected within 24 hours. Apply using a high quality 3/4-1" nap roller, nylon/polyester brush or airless sprayer (.015-.017" spray tip). Apply a second coat, if necessary. Maintain a wet edge to avoid lap marks. Do not re-spread or re-work paint.

DRIY TIME

Longer dry time required in cooler temperatures and higher humidity. After two weeks, cured paint film may be cleaned with a mild, non-abrasive liquid detergent.

DISPOSAL

Properly dispose of all soiled rags. For disposal of empty containers and unused product contact your household refuse collection service.

WARNING!

If you scrape, sand or remove old paint, you may release lead dust. LEAD IS TOXIC. EXPOSURE TO LEAD DUST CAN CAUSE SERIOUS ILLNESS, SUCH AS BRAIN DAMAGE, ESPECIALLY IN CHILDREN. PREGNANT WOMEN SHOULD ALSO AVOID EXPOSURE. Wear a NIOSH-approved respirator to control lead exposure. Clean up carefully with a HEPA vacuum and a wet mop. Before you start, find out how to protect yourself and your family by contacting the National Lead Information Hotline at 1-800-424-LEAD or log on to www.epa.gov/lead.

WARNING!

Sanding or scraping pressure treated lumber may be hazardous; wear appropriate protection.

WARNING!

This product contains chemicals known to the state of California to cause cancer and birth defects or other reproductive harm.

WARNING!

IRRITANT! HARMFUL IF SWALLOWED. CONTAINS: ETHYLENE GLYCOL. MAY CAUSE EYE, NOSE AND THROAT IRRITATION. AVOID CONTACT WITH SKIN AND EYES AND AVOID BREATHING OF VAPORS AND SPRAY MIST. WEAR EYE PROTECTION AND PROTECTIVE CLOTHING. USE ONLY WITH ADEQUATE VENTILATION. To avoid breathing vapors and spray mist, open windows and doors or use other means to ensure fresh air entry during application and drying. If you experience eye watering, headaches or dizziness, increase fresh air. If properly used, a respirator (NIOSH approved for organic vapor with P series particulate pre-filter) may offer additional protection; obtain professional advice before using. A dust mask does not provide protection against vapors. Avoid contact with eyes and skin. Wash thoroughly after handling. Close container after each use. FIRST AID: If you experience difficulty in breathing, leave the area to obtain fresh air. If continued difficulty is experienced, get medical assistance immediately. In case of eye contact, flush immediately with plenty of water for at least 15 minutes and get medical attention; for skin, wash thoroughly with soap and water. If swallowed, get medical attention immediately.

CAUTION: KEEP OUT OF REACH OF CHILDREN - DO NOT TAKE INTERNALLY.
