Dry Time:

Dry to Touch: 4-5 hr.
Dry to Recoat: 24 hr.

Clean-Up:

Mineral Spirits

Protect from Freezing

LIMITED WARRANTY

FOR TINT BASES - Do Not Use Without The Addition Of Tinting Colorant

WHERE TO USE

*Properly prepared Interior or exterior surfaces such as: Wood, Drywall, Plaster, Masonry, Metal, Well-bonded Wallpaper, Brick, Stucco, Aluminum and Cinder Block. Do not use on horizontal surfaces.

PREPARATION

(Proper surface preparation is required.) Allow new stucco, plaster and masonry to cure for 30 days. Clean: (1) For interior and exterior surfaces, remove dust, oil and grease stains with a concrete and masonry degreaser and cleaner. Remove mildew stains with a mildew removing solution. Remove all loose and peeling paint; scuff sand glossy surfaces; caulk; repair imperfections and sand smooth. For exterior surfaces, powerwash to remove chalk. Etch galvanized metal with a concrete and masonry cleaner and etcher. Follow all label instructions.

PRIME: For uncoated exterior surfaces, use a product such as BEHR PREMIUM PLUS® NO. 436 Exterior Multi-Surface Primer & Sealer. For all uncoated interior surfaces, use a product such as BEHR PREMIUM PLUS® No. 75 All-In-One Primer & Sealer.

APPLICATION

DO NOT THIN. Stir before and during application. When working with more than one can of the same product, intermix to ensure color uniformity. Use adequate ventilation during application & drying process. Certain colors may require more than one coat to achieve complete hide and coverage. Use product when air and surface temperature are 40-90°F (4-32°C).

Apply a thin coat using a high quality china bristle brush, 1/4-3/8” nap roller or an airless sprayer (.013- .015” spray tip, 60 mesh filter).

DRY TIME

Longer dry time required in cooler temperatures and higher humidity or with darker colors. Wait at least 7 days before rinsing or cleaning the surface with a mild, non-abrasive detergent.

LIMITED WARRANTY

For one year from the date of purchase, Behr Process Corporation warrants to the original consumer purchaser, (1) that the product meets Behr Process Corporation’s manufacturing specifications, and (2) the performance of this product when applied according to the label instructions and specifications. If this product is found not to perform as specified on the label within one year from the date of purchase, Behr Process Corporation will, at its option and upon presentation of proof-of-purchase (the original receipt), either furnish an equivalent amount of new product or refund the original purchase price of the product to you. This warranty excludes (1) labor and costs for the application or removal of any product, and (2) any incidental or consequential damages, whether based on breach of express or implied warranty, negligence, strict liability or any other legal theory. Some states do not allow the exclusion or limitation of incidental or consequential damages, so the above limitation or exclusion may not apply to you. To the extent permitted by applicable law, any implied warranties including the implied warranties of merchantability and of fitness for a particular purpose, are limited to the duration of the express warranty. Some states do not allow limitations on how long an implied warranty lasts, so the above limitations may not apply to you. This warranty gives you specific legal rights and you may also have other rights, which vary from state to state. Note to residents of the State of New Jersey: The provisions of this warranty, including any limitations, are intended to apply to the fullest extent permitted by the laws of the State of New Jersey. To obtain warranty service, call 1-800-404-1013. Behr Process Corporation reserves the right to inspect any and all application of the product prior to processing your claim made under the warranty.

DISPOSAL

Properly dispose of all soiled rags. For disposal of empty containers and unused product contact your household refuse collection service.

WARNING! If you scrape, sand or remove old paint, you may release lead dust. LEAD IS TOXIC. EXPOSURE TO LEAD DUST CAN CAUSE SERIOUS ILLNESS, SUCH AS BRAIN DAMAGE, ESPECIALLY IN CHILDREN. PREGNANT WOMEN SHOULD ALSO AVOID EXPOSURE. Wear a NIOSH-approved respirator to control lead exposure. Clean up carefully with a HEPA vacuum and a wet mop. Before you start, find out how to protect yourself and your family by contacting the National Lead Information Hotline at 1-800-424-LEAD or log on to www.epa.gov/lead.

WARNING! Sanding or scraping pressure treated lumber may be hazardous; wear appropriate protection.
