Oil-Base Semi-Gloss Enamel

- Professional Quality Interior/Exterior Semi-Gloss Finish
- Excellent Flow & Leveling
- Resists Household Chemicals
- Easy Stain Removal
- Mildew Resistant Finish
- For Door, Trim & Cabinetry*

WHERE TO USE

For Tint Bases - Do Not Use Without The Addition Of Tinting Colorant

WHERE TO USE

- Properly prepared Interior or Exterior surfaces such as: Wood, Drywall, Plaster, Masonry, Metal, Well-bonded Wallpaper, Brick, Stucco, Aluminum and Cinder Block. Do not use on horizontal surfaces.

PREPARATION

(Proper surface preparation is required.) Allow new stucco, plaster and masonry to cure for 30 days. Clean: For interior and exterior surfaces, remove dirt, oil and grease stains with a product such as BEHR PREMIUM® NO. 990 Concrete & Masonry Degreaser & Cleaner. Remove mildew stains with a mildew stain removing product. Remove all loose and peeling paint; scuff sand glossy surfaces; caulk; repair imperfections and sand smooth. For exterior surfaces, powerwash to remove chalk. Etch galvanized metal with a product such as BEHR PREMIUM® NO. 991 Concrete & Masonry Cleaner & Etcher. Follow all label instructions. PRIME: Use a product such as BEHR PREMIUM PLUS® NO. 436 Exterior Multi-Surface Primer & Sealer or product such as BEHR PREMIUM PLUS® NO. 434 Oil-Based Primer & Sealer. Follow all label instructions.

APPLICATION

DO NOT THIN. Stir before and during application. When working with more than one can of the same product, intermix to ensure color uniformity. Use adequate ventilation during application & drying process. Certain colors may require more than one coat to achieve complete hide and coverage. Use product when air and surface temperature are 40-90˚F (4-32˚C). Apply a thin spray using a high quality china bristle brush, 1/4-3/8” nap roller or an airless sprayer (.013-.015” spray tip).

DRY TIME

Longer dry time required in cooler temperatures and higher humidity. Wait at least 7 days before rinsing or cleaning the surface with a mild, non-abrasive detergent.

DISPOSAL

Properly dispose of all soiled rags. For disposal of empty containers and unused product contact your household refuse collection service.

WARNING! If you scrape, sand or remove old paint, you may release lead dust. LEAD IS TOXIC. EXPOSURE TO LEAD DUST CAN CAUSE SERIOUS ILLNESS, SUCH AS BRAIN DAMAGE, ESPECIALLY IN CHILDREN. PREGNANT WOMEN SHOULD ALSO AVOID EXPOSURE. Wear a NIOSH-approved respirator to control lead exposure. Clean up carefully with a HEPA vacuum and a wet mop. Before you start, find out how to protect yourself and your family by contacting the National Lead Information Hotline at 1-800-424-LEAD or log on to www.epa.gov/lead.

WARNING! Sanding or scraping pressure treated lumber may be hazardous; wear appropriate protection.

LIMITED WARRANTY

Behr Process Corporation warrants that this product meets Behr’s manufacturing specifications. If this product does not meet these specifications, Behr Process Corporation will, at its option and upon proof of purchase, either furnish an equivalent amount of new product to you or refund the purchase price of this product. This guarantee excludes (1) labor and costs of labor for application or removal of any product; or (2) any incidental or consequential damages, whether based on breach of express or implied warranty, negligence, strict liability or any other legal theory. Some states do not allow the exclusion or limitation of incidental or consequential damages, so the above limitation or exclusion may not apply to you. This warranty gives you specific legal rights and you may also have other rights, which vary from state to state.
