PREP BEFORE USE

2 COATS REQUIRED

SPREAD RATE:
125 SQ. FT. / QT.

CLEAN-UP:
SOAP & WATER

READY TO USE. PROTECT FROM FREEZING.

WHERE TO USE: Properly prepared interior bare or stained wood surfaces such as furniture, moldings, cabinets, trim, doors and residential hardwood floors

CAUTION: Top coated surfaces may be slippery when wet.

SURFACE PREPARATION†
(The following steps are recommended for best results.)

- For refinishing, remove all wax or cleaner build-up with a wax stripper or degreaser prior to sanding.
- Sand all surfaces in the direction of the wood grain to desired smoothness.
- DO NOT USE steel wool.
- Remove all dust from sanded surfaces and clean with tack cloth.

APPLICATION

- Do not shake or thin.
- Do not apply in direct sunlight or in temperatures below 55°F (10°C) or above 90°F (32°C).
- Stir thoroughly prior to and during use.
- If wood stain color is desired, apply BEHR® Wood Stain. Follow all label instructions.
- Using a high quality nylon/polyester bristle brush, dip approximately an inch into the can, gently tapping it against the inside to remove any excess.
- Apply a thin, even coat following the direction of the grain making sure to maintain a wet edge.
- To minimize the brush marks and bubbles after application, tip off the surface by holding the brush at a 45 degree angle and lightly run the bristles over the entire length of the wood.
- Floor Application: use a synthetic pad applicator or bristle brush and maintain a wet edge to avoid lap marks. For maximum durability, 3 coats are required.
- Do not puddle, over-brush or overlap finishes. Sand lightly between coats with fine sand paper. Remove all dust prior to applying additional coats.

DRY TIME

- Dries to the touch in 1 hour. Sand or Recoat: 1 hour. After final coat, allow 12 - 24 hours before light use. Fully cured: 3 days after final coat.

DISPOSAL

- For disposal of empty containers and unused product, contact your household refuse collection service.

LIMITED WARRANTY

- Visit behr.com/warranty or call 1-800-854-0133 Ext. 2 for more information.

†WARNING If you scrape, sand or remove old paint, you may release lead dust. LEAD IS TOXIC. Contact the National Lead Information Center at 1-800-424-LEAD or log on to www.epa.gov/lead.
