CAUTION: Stained surfaces may become slippery when wet.

WHERE TO USE
- Recommended for properly prepared new to moderately weathered, unsealed exterior wood surfaces (0-10 years exposure) such as: Decks, Railings, Shakes, Shingles, Siding, Roofs, Fences and Wood Patio Furniture.

SURFACE PREPARATION† (Proper Surface Preparation is Required.)
- To remove failing coatings or to remove loose wood fibers, use a product such as BEHR PREMIUM® No. 64 Wood Stain & Finish Stripper followed by BEHR PREMIUM No. 63 All-In-One Wood Cleaner to neutralize the wood.
- When stripping is not needed, the surface MUST be prepared with a product such as No. 63 Wood Cleaner to remove mill glaze and clean the wood surface.
- After using either No. 64 or No. 63, rinse thoroughly with a garden hose or pressure washer. When rinsing with a pressure washer, use the broadest spray pattern while keeping the nozzle at least 24” away from the surface.
- Allow the area to dry at least 24 hours before coating.
- If needed, lightly sand to remove any wood fibers/fuzz.
- See behr.com for additional product information.

APPLICATION
- For best results, a pad applicator is recommended over large deck areas.
- Must apply between 40-90° F.
- Avoid applying in direct sunlight or to hot surfaces.
- Do not use if rain is expected within 24 hours.
- The surface must be completely dry before application.
- For multiple gallons, combine into larger container for color uniformity.
- Do NOT THIN PRODUCT.
- Stir product occasionally throughout application.
- Test product for penetration and color on a small hidden area before proceeding.
- Use of rollers should be limited to rough surfaces only.
- Use a 3/8” nap roller, nylon/polyester brush, pad applicator or airless sprayer (.015 -.019" tip, 60 mesh filter).
- For airless sprayer, work in small sections lightly saturating the surface and immediately back-brush to eliminate puddling, remove excess and evenly distribute the stain.
- Maintain a wet edge when applying.
- Apply product end to end or to board lengths to prevent lap marks.
- Over application of stain will lead to surface failure including peeling and cracking.

DISPOSAL
- For disposal of empty containers and unused product contact your household refuse collection service.

LIMITED WARRANTY
- 3 years horizontal surfaces, 5 years vertical surfaces.
- Visit www.behr.com/warranty or call 1-800-854-0133 Ext. 2 for more information.

WARNING! If you scrape, sand or remove old paint, you may release lead dust. LEAD IS TOXIC. Contact the National Lead Information Center at 1-800-424-LEAD or log on to www.epa.gov/lead

WARNING! Sanding or scraping pressure treated lumber may be hazardous; wear appropriate protection.

CAUTION: Keep out of reach of children - Do not take internally.
