### BEHR PREMIUM® Transparent Waterproofing Wood Finish

- For Decks, Fences & Siding
- Enhanced Mildew Resistant Finish
- Easy To Apply, Water Clean-Up
- Low Temperature Application
- Resists Rain After 4 Hours

### Where to Use

- Finished surfaces may become slippery when wet.

### Surface Preparation

- **Proper Surface Preparation is Required.**
  - To remove failing coatings or to remove loose wood fibers, use a product such as BEHR PREMIUM® No. 64 Wood Stain & Finish Stripper followed by BEHR PREMIUM No. 63 All-In-One Wood Cleaner to neutralize the wood.
  - When stripping is not needed, the surface MUST be prepared with a product such as No. 63 Wood Cleaner to remove mill glaze and clean the wood surface.
  - After using either No. 64 or No. 63, rinse thoroughly with a garden hose or pressure washer. When rinsing with a pressure washer, use the broadest spray pattern while keeping the nozzle at least 24” away from the surface.
  - Allow the area to dry at least 24 hours before coating.
  - If needed, lightly sand to remove any wood fibers/fuzz.
  - See behr.com for additional product information.

### Application

- **For best results, a pad applicator is recommended over large deck areas.**
  - Must apply between 35-90°F and temperature must stay above 35°F for the next 12 hours.
  - Avoid applying in direct sunlight or to hot surfaces.
  - Coating will resist rain after 4 hours.
  - Maintain a wet edge when applying.

### Dry Time

- **1-2 hours before recoat. Allow 72 hours for full cure. Additional dry time may be needed in cooler temperatures and higher humidity.**

### Disposal

- **For disposal of empty containers and unused product contact your household refuse collection service.**

### Warning

1. **WARNING!** If you scrape, sand or remove old paint, you may release lead dust. **Lead is toxic. Exposure to lead dust can cause serious illness, such as brain damage, especially in children. Pregnant women should also avoid exposure. Wear a NIOSH-approved respirator to control lead exposure.**

2. **WARNING!** This product contains chemicals known to the state of California to cause cancer and birth defects or other reproductive harm.

### CAUTION: Finished surfaces may become slippery when wet.

### Surface Preparation

- **Must Prep Before Applying Wood Finish**
  - Stir product occasionally throughout application.
  - Do not thin product.
  - For multiple gallons, combine into larger container for color uniformity.
  - The surface must be completely dry before application.

### Application

- For airless sprayer, work in small sections lightly saturating the surface and immediately back-brush to eliminate puddling, remove excess and evenly distribute the stain.
- Maintain a wet edge when applying.
- Apply product end to end or to board lengths to prevent lap marks.
- Over application of stain will lead to surface failure including peeling and cracking.
- Two thin coats required.

### Dry Time

- 1-2 hours before recoat. Allow 72 hours for full cure. Additional dry time may be needed in cooler temperatures and higher humidity.

### Disposal

- For disposal of empty containers and unused product contact your household refuse collection service.

### WARNING! Sanding or scraping pressure treated lumber may be hazardous; wear appropriate protection.

### Limited Warranty

Behr Process Corporation warrants customer satisfaction with this product for 6 years on vertical surfaces and for 4 years on horizontal surfaces from date of purchase, when applied to a properly prepared surface according to label directions. Color fading and slight natural graying of the wood may occur during this period, especially in areas exposed to heavy foot traffic or excessive weather. If you are not satisfied with this product, Behr Process Corporation will, at its option and upon proof of purchase, either furnish an equivalent amount of new product or refund the purchase price. This warranty is made to the original residential product purchaser and is not transferable. This warranty excludes (1) labor and costs of labor for application or removal of any product or (2) any incidental or consequential damages, whether based upon breach of express or implied warranty, negligence, strict liability or any other legal theory.
